REPORT/RECOMMENDATION TO THE BOARD OF COMMISSIONERS OF THE HOUSING AUTHORITY OF THE COUNTY OF SAN BERNARDINO AND RECORD OF ACTION

February 11, 2020

FROM
MARIA RAZO, Executive Director, Housing Authority of the County of San Bernardino

SUBJECT
Revisions to the Administrative Plan Governing the Housing Authority of the County of San Bernardino’s Rental Assistance Programs.

RECOMMENDATION(S)
Adopt Resolution No. 77 approving revisions to the Administrative Plan governing the Housing Authority of the County of San Bernardino’s rental assistance programs.
(Presenter: Maria Razo, Executive Director, 332-6305)

GOALS & OBJECTIVES
HACSB has secured the resources needed for accomplishing its mission.
HACSB communication is open, honest and consistent.
HACSB clients, programs, and properties are embraced by all communities.
HACSB clients live in safe and desirable homes and communities where they can develop and prosper.

FINANCIAL IMPACT
Approval of the proposed revisions to the Administrative Plan will have no direct financial impact to the Housing Authority of the County of San Bernardino’s (HACSB) annual budget.

BACKGROUND INFORMATION
HACSB’s Administrative Plan outlines the adopted policies that govern the Housing Choice Voucher program as well as other HACSB rental assistance programs. These programs provide rental subsidies for low-income families leasing homes in the private rental market. The Administrative Plan is required by all Housing Authorities that administer a Housing Choice Voucher program and is reviewed and updated as needed to maintain compliance with Public and Indian Housing Notices (PIH), Federal Register Notices as issued by the United States Department of Housing and Urban Development (HUD), and HACSB’s Moving to Work (MTW) activities. As a result of an internal review, a compliance assessment performed by third party consultant Nan McKay and Associates (NMA) and a recent award of 77 Mainstream Vouchers, the Administrative Plan requires revisions to chapters 1, 2, 3, 16 and 19.

The first policy update is to clarify compliance with the Fair Housing Act (FHA). While HACSB’s Administrative Plan is compliant with FHA, NMA has recommended that additional language should be added to Section 1.6 Rules and Regulations.

The second update is under Section 1.7 Fair Housing Policy. This update is to remove a reference to the Ontario office which is now closed and add the Upland office as a location accessible to persons with disabilities.

The third policy update is under Section 2.2.8.1 Income Targeting. This update is related to the Quality Housing and Work Responsibility Act (QHWRA) and funding awards for a specified
category of families on the waiting list. Changes to language referencing that HACSB reserves a
minimum of 75% of its new admissions for extremely low-income families whose income does not
exceed 30% of the area median income should be changed to very low-income families whose
income does not exceed 50% of the area median income, pursuant to the agency’s MTW
Agreement with HUD. HUD may award funding for a specified category of families and we must
use this funding only to assist families within the specified category and may need to skip families
on the waiting list that do not qualify for the targeted funding category.

The fourth policy update is to add additional criteria to the Disabled at-Risk Preference in Section
2.2.8.3.2. This would include persons who previously experienced homelessness and are
currently participating in permanent supportive housing or rapid rehousing. This targeted
population provided HACSB with additional points on the latest Mainstream Notice of Funding
Availability (NOFA) and assisted in the award of 77 additional vouchers.

The fifth policy update is to comply with notification requirements to provide applicants who are
denied assistance with a Violence Against Women’s Act (VAWA) Notice of Occupancy Rights
and VAWA Certification form at the time the participant is denied. These notices have been added
under Section 3.13.2 Notification.

The sixth policy update is to remain in compliance with the Fair Housing Act and add the regulation
and language to Section 16. Introduction. If the family includes a person with disabilities, the
Housing Authority’s decision to terminate the family’s assistance is subject to consideration of
reasonable accommodation.

The last update is to Section 19.5 Incoming Portability Families. It requires a revision to omit
incorrect verbiage in the second sentence. The proper wording should reflect “On or after
November 1, 2017, families where the head of household, spouse or co-head is under fifty-seven
(57) years of age and is not disabled will participate in the Term-Limited Lease Assistance
program.”

Attached to this item are the redline policy changes to the applicable sections of the Administrative
Plan.

To ensure alignment with HUD regulations and HACSB’s Moving to Work Annual Plans it is
recommended the Board of Commissioners to adopt the resolution to approve the proposed
changes to the Administrative Plan.

1.6 **Rules and Regulations**

This Administrative Plan is set forth to define the Housing Authority’s local policies for operation of the housing programs in the context of Federal laws and regulations. All issues related to the Housing Services program not addressed in this document are governed by the HACSB’s MTW Agreement, MTW Plans, federal regulations, HUD memos, notices and guidelines, state and local laws, and other applicable laws. Applicable regulations include:

- CFR Part 5: General Program Requirements
- 24 CFR Part 8: Nondiscrimination
- 24 CFR Part 35: Lead-Based Paint
- 24 CFR Part 100: Fair Housing Act
1.7 Fair Housing Policy [24 CFR 982.54(d)(6)]

The Housing Authority is committed to nondiscrimination in housing and does not discriminate on the basis of race, color, religion, sex, national origin, age, familial status, and disability. The Housing Authority complies with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- Title VI of the Civil Rights Act of 1964
- Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- Executive Order 11063
- Section 504 of the Rehabilitation Act of 1973
- The Age Discrimination Act of 1975
- Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- Violence Against Women Reauthorization Act of 2013 (VAWA 2013)
- The Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity Final Rule, published in the Federal Register February 3, 2012
- Any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted

When more than one civil rights law applies to a situation, the laws will be read and applied together.

The Housing Authority shall not deny any family or individual the opportunity to apply for or receive assistance under the program on the basis of race, color, sex, religion, creed, national or ethnic origin, age, familial or marital status, handicap, disability, gender identity or sexual orientation. The Housing Authority will not use any of these factors to:

- Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate
- Provide housing that is different from that provided to others
- Subject anyone to segregation or disparate treatment
All Housing Authority staff will be required to attend fair housing training and informed of
the importance of affirmatively furthering fair housing and providing equal opportunity to
all families, including providing reasonable accommodations to persons with disabilities.
Fair housing signage is posted throughout the Housing Authority's office/s, including in
the lobby and interview rooms and the equal opportunity logo will be used on all outreach
materials. Staff will attend local fair housing update training sponsored by HUD and other
local organizations to keep current with new developments and/or regulations.

Except as otherwise provided in 24 CFR 8.21(c)(1), 8.24(a), 8.25, and 8.31, no individual
with disabilities shall be denied the benefits of, be excluded from participation in, or
otherwise be subjected to discrimination because the Housing Authority’s facilities are
inaccessible to or unusable by persons with disabilities. Posters and housing information
are displayed in locations throughout the Housing Authority’s office in such a manner as
to be easily readable from a wheelchair.

The San Bernardino, Ontario Upland, and Victorville offices are accessible to persons with
disabilities. In order to provide accessibility for persons who are deaf, hard-of-hearing or
speech impaired, the Housing Authority utilizes the national 711 telecommunications
relay services.

The Housing Authority’s policies and practices are designed to provide assurances that
all persons with disabilities will be provided reasonable accommodation so that they may
fully access and utilize the housing program and related services. The availability of
specific accommodations will be made known by including notices on Housing Authority
forms and letters to all families.

The Housing Authority will make a reasonable accommodation or modification for
individuals with disabilities when necessary to ensure equal access to HACSB’s property
and property amenities, programs, services and activities. Reasonable modifications
include changes to a building, grounds or an individual apartment and reasonable
accommodations include changes to policies, programs, services and procedures.
HACSB will provide accommodations or modifications as requested unless doing so is
unreasonable. A request is unreasonable if it is structurally infeasible, would result in a
fundamental alteration in the nature of a HACSB program, or would result in an undue
financial and administrative burden. If a request is unreasonable, HACSB will work with
the individual to try to accommodate his or her needs.
If a letter is returned by the Post Office, the applicant will be removed from the waiting list without further notice. The returned envelope and original letter will be maintained in the file.

When a family is removed from the waiting list during the update process for failure to respond, no informal review will be offered. Such failures to act on the part of the applicant prevent the HACSB from making an eligibility determination; therefore no informal review is required.

Applicants who are removed from the waiting list for failure to respond are not entitled to reinstatement on the waiting list, unless:

- The Housing Authority verifies a family/health/work emergency, or
- The applicant failed to respond because of a family member’s disability

Periodically, applicants will call to check their status on the waiting list and learn that they have been cancelled because mail was returned as undeliverable. In extenuating circumstances, such as a long-term illness or other family emergency, the applicant may be reinstated. However, the registrant must be able to provide documentation of the circumstances. Such requests will be reviewed and approved (or denied) on a case-by-case basis.

2.2.8 Selection from the Waiting List [24 CFR 982.204]

When funding is available, families will be selected from the waiting list in their determined sequence, regardless of family size, subject to income targeting and comparable mix under the Moving to Work demonstration requirements. When there is insufficient funding available for the applicant at the top of the list, the Housing Authority will not admit any other applicant until funding is available for the first applicant.

Based on the Housing Authority’s turnover and the availability of funding, groups of families will be selected from the waiting list to form a final eligibility “pool.”

2.2.8.1 Income Targeting [24 CFR 982.201(b)(2)]

In accordance with the Quality Housing and Work Responsibility Act (QHWRA) of 1998 and each fiscal year the Housing Authority’s Moving To Work Agreement, the Housing Authority will reserve a minimum of seventy-five percent (75%) of its Housing Services program new admissions for families whose income does not exceed thirty-five percent (35%) of the area median income. HUD refers to these families as “very low-income families.” The Housing Authority will admit families who qualify...
families. The Housing Authority will admit families who qualify under the extremely low-income limit to meet the income targeting requirement, regardless of preference.

HUD may award HACSB funding for a specified category of families on the waiting list. HACSB must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, HACSB may skip families on the waiting list that do not qualify within the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 2.2.8. Selection from the Waiting List [24 CFR 982.204].

The Housing Authority’s targeting requirement does not apply to low income families continuously assisted as provided for under the 1937 Housing Act. The Housing Authority is also exempted from this requirement where the Housing Authority is providing assistance to low or moderate income families entitled to preservation assistance under the tenant-based program as a result of a mortgage prepayment or opt-out.

2.2.8.2 Comparable Mix [Moving to Work Standard Agreement]
The Housing Authority may also target families on the waiting list in order to meet the terms of its Moving to Work Agreement with HUD. The Housing Authority is required to, “maintain a comparable mix of families by family size, as would have been served or assisted had the amounts not been used under the demonstration.”

2.2.8.3 Wait List Preferences
HACSB will select applicants from the waiting list using the local admission preferences described in the following sections.

2.2.8.3.1 Veteran Preference
As required by California Health and Safety Code (§34322.2), HACSB will give priority to families of veterans and servicemen within each preference category.

2.2.8.3.2 Disabled At-Risk Preference
HACSB will give a preference to non-elderly persons with disabilities who are transitioning out of institutional or other segregated settings, at serious risk of institutionalization, homeless, or at risk of becoming homeless, or persons who previously experienced homelessness and are currently a client/participant in a permanent supportive housing or rapid rehousing project/program. For the above preference categories, the definitions stated in the Notice of Funding Availability (NOFA) are used for the Disabled At-Risk preferences definitions.
Homeless is defined as lacking a fixed or regular nighttime residence, and either 1) having a primary nighttime residence that is a supervised publically or privately-operated shelter designed to provide temporary living accommodation, or 2) residing in a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

At risk of becoming homeless is defined as being in receipt of a judgement for eviction, as ordered by the court.

This preference applies to the Mainstream 811 program only and is limited to 13255 vouchers.

2.2.9 Verification of Preferences

Any preference claimed on the pre-application or while the family is on the waiting list will be verified in accordance with the Housing Authority’s verification policies after the family is selected from the waiting list and prior to completing the full application described in this Chapter. The qualification for the preference must exist at the time the preference is claimed and at the time of verification because a claim of preference determines placement on the waiting list. If the Housing Authority denies a preference, the Housing Authority will notify the applicant in writing of the reasons why the preference was denied and return the applicant to the waiting list without the benefit of the preference. Families who are returned to the waiting list for not meeting the claimed preference are not entitled to an informal review as they have not been found ineligible. Applicants may exercise other rights if they believe they have been discriminated against.

2.3 Completion of a Full Application and Required Initial Eligibility Interview [HCV GB, p. 4-16]

After an applicant is selected from the waiting list, and any preference is verified (if applicable), a full application will be mailed to the applicant in advance of a required interview for completion. All adult members of an applicant’s household will be required to participate in a full application interview with a Housing Authority representative. During this interview, the household will be required to furnish complete and accurate information verbally as requested by the interviewer.

The Housing Authority uses the full application and eligibility interview to discuss the family’s circumstances in greater detail, to clarify information which has been provided by the family and to ensure that the information is complete. The interview is also used as a
domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person’s acts under the domestic or family violence laws of the jurisdiction.

The term *dating violence* means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors: The length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.

The term *stalking* means:

Engaging in a course of conduct directed at a specific person that would cause a reasonable person to:

- Fear for the person’s individual safety or the safety of others; or
- Suffer substantial emotional distress

The term *affiliated* means:

With respect to an individual, as a spouse, parent, brother, sister, or child of that individual, or an individual to whom that individual stands in loco parentis (in place of a parent), or any individual, tenant, or lawful occupant living in the household of that individual.

### 3.13.2 Notification

The Housing Authority acknowledges that a victim of domestic violence, dating violence, sexual assault, or stalking may have an unfavorable history (e.g., a poor credit history, a record of previous damage to an apartment, a prior criminal record) that would warrant denial under the Housing Authority’s policies. Therefore, if the Housing Authority makes a determination to deny admission to an applicant family, the Housing Authority will include in its notice of denial:

- VAWA form 5382 (VAWA Certification form)
- VAWA form 5380 (Notice of Occupancy Rights)
- A statement of the protection against denial provided by VAWA
- A description of Housing Authority confidentiality requirements
CHAPTER 16: TERMINATION OF ASSISTANCE AND INFORMAL HEARING POLICIES

16. Introduction [24 CFR 982.552(a) and (c)(2)(iv)]

The Housing Authority may terminate assistance for a family because of the family’s action or failure to act. The Housing Authority will provide families with a written description of the family obligations under the program, the grounds under which the Housing Authority can terminate assistance, and the Housing Authority’s informal hearing procedures. This chapter describes when the Housing Authority is required to terminate assistance, the Housing Authority’s policies for the denial of a new commitment of assistance, and grounds for termination of assistance of an existing contract.

The Housing Authority reserves the right, with HUD approval, to use criminal history records maintained by law enforcement agencies as a means of determining prior criminal activity of participants and applicants for its assisted housing programs.

The Housing Authority will terminate housing assistance to any participant for any of the grounds specified in the Code of Federal Regulations which relate to the applicable assisted housing program. Decisions on whether to terminate assistance for a participant family will be based on a preponderance of evidence. If the family includes a person with disabilities, the Housing Authority’s decision to terminate the family’s assistance is subject to consideration of a reasonable accommodation.

HUD requires the Housing Authority to terminate assistance for certain reasons. Each of these reasons, and the only mitigating circumstances that may be considered for these mandatory terminations, are included below.

16.1.1 Failure to Supply Information or Attend Appointments [24 CFR 982.552(b)(3)]

Participants must supply information, documentation, and certifications as needed for the Housing Authority to complete required processes. The Housing Authority schedules appointments and sets deadlines in order to obtain the required information. Failure to supply requested information or keep scheduled appointments can result in termination of assistance.
- The initial term will expire before the portable family will be issued a voucher by the receiving PHA;
- The family decides to return to the Housing Authority's jurisdiction and search for a unit there;
- The family decides to search for a unit in a third PHA’s jurisdiction. In such cases, the policies on extensions set forth in the Chapter 8 of this Administrative Plan will apply, including the requirement that the family apply for an extension in writing prior to the expiration of the initial term.

To receive or continue receiving assistance under the Housing Authority’s Housing Services program, a family that moves to another PHA’s jurisdiction under portability must be under contract in the receiving PHA’s jurisdiction within sixty (60) days following the expiration date of the Housing Authority’s voucher or family obligations agreement term (including any extensions).

19.4 Billing Procedures [Notice PIH 2011-03]
As receiving PHA, the Housing Authority will initiate billing by submitting to the initial Housing Authority form HUD-52665, Part II-B as well as a copy of the initial HUD-50058 form. The billing cycle for other amounts, including administrative fees will be monthly unless requested otherwise by the initial Housing Authority.

The receiving Housing Authority will bill one hundred percent (100%) of the payment to the owner, and the lesser of eighty percent (80%) of the administrative fee (at the initial Housing Authority’s rate, pro-rated if applicable) or one-hundred percent (100%) of the receiving Housing Authority administrative fee (pro-rated if applicable) for each “portability” unit leased as of the first day of the month.

The receiving Housing Authority will notify the initial Housing Authority of changes in subsidy amounts and will provide, on an annual basis and for any interims, a copy of the family’s HUD-50058 and HUD 52665 form and will expect the initial Housing Authority to notify the receiving Housing Authority of changes in the administrative fee amount to be billed.

19.5 Incoming Portability Families

BACKGROUND INFORMATION

SUBJECT
Construction Bridge Loans for Desert Haven Apartments Development

RECOMMENDATION(S)
1. Approve a Loan Agreement between the Housing Authority of the County of San Bernardino and Desert Haven Victorville, L.P. for the remaining construction costs at Desert Haven Apartments in the amount not-to-exceed $1,100,000 at zero percent interest and with a maturity date of December 31, 2020.
2. Approve conversion of the existing $1,500,000 carry-back acquisition loan to Desert Haven Victorville, L.P. to a temporary bridge loan once City of Victorville funds are received and the acquisition loan is reconveyed.

GOALS & OBJECTIVES
HACSB has secured the resources needed for accomplishing its mission.
HACSB is a leading developer and provider of affordable housing in the County of San Bernardino.
HACSB clients, programs, and properties are embraced by all communities.
HACSB clients live in safe and desirable homes and communities where they can develop and prosper.

FINANCIAL IMPACT
Approval of this action authorizes the Housing Authority of the County of San Bernardino (HACSB) to provide a short-term bridge loan in an amount not-to exceed $1,100,000 to Desert Haven Victorville, L.P. to assist in the construction completion of the Desert Haven Apartments permanent supportive housing project (the Project). HACSB closed escrow for the acquisition of the Project on March 8, 2017 for the purchase price of $1,500,000 (Authorized by action No. 95 of the HACSB Board of Governors on Dec. 20, 2016). The acquisition was funded utilizing HACSB authority owned portfolio reserves, which will also be the source for the short-term bridge loan. Upon construction completion of the Project, staff will return for Board of Commissioner's (Board)approval to reconcile all Project costs and convert any existing HACSB loan to a long term permanent loan, now projected to be approximately $2 million. The bridge loan uses are proposed as follows:

<tr>
<th>Construction Costs</th>
<th>Construction Soft Costs</th>
<th>Unit Furnishings</th>

<tbody>
<tr>
<td>$790,000</td>
<td>$230,000</td>
<td>$80,000</td>
</tr>
</tbody>
</table>

BACKGROUND INFORMATION
The Project consists of three detached buildings with 61 rooms. The rehabilitation will convert the existing 61 rooms into 31 new permanent supportive housing units for the chronically homeless. The property will also include a large community space that will be used for on-site...
social services to better serve the various needs of the residents. Exterior renovation will include asphalt resurfacing, ADA accessibility, landscaping, fencing, new lighting, wood and stucco repair, and exterior paint. The units will consist of 24 one bedroom units with one bathroom, kitchen and a living area and seven smaller efficiency units with one bathroom, kitchenette and combined living/sleeping area.

In 2016, HACSB purchased the Project, formally known as Queen’s Motel, in the City of Victorville to house chronically homeless individuals as part of countywide efforts to address homelessness. As in the majority of our past affordable housing development projects, HACSB is partnering with its affiliate non-profit, Housing Partners I, Inc. (HPI). As a 501(c)(3) nonprofit, HPI has the ability to solicit and accept funding from local jurisdictions to support affordable housing development. The City of Victorville (City) originally approached the County to partner on the conversion of the motel to permanent supportive housing for chronic homeless, which prompted HACSB’s acquisition of the Project.

On October 1, 2019, the City approved Neighborhood Stabilization Program (NSP) funds in the amount of $1,509,505 to cover the acquisition costs of the Project. On December 17, 2019 (Item No. 18), the County of San Bernardino Board of Supervisors approved an allocation of Mental Health Services Act (MHSA) funding in the amount of $2,173,699 for construction and development related costs. Both the City NSP and County MHSA funding will be payable via residual payments. To develop the Project, HACSB and HPI each formed a Limited Liability Company (LLC) (Desert Haven HACSB, LLC and Desert Haven HPI, LLC), who in turn entered into a Limited Partnership called Desert Haven Victorville, L.P. (the LP).

On June 26, 2018 (Item No. 71), the Board of Governors of HACSB approved the sale of the property from HACSB to the LP, with HACSB carrying back a $1.5 million loan for the acquisition cost. Due to the urgent need for permanent supportive housing for the homeless, the LP proceeded to finalize planning and building department approvals and commence construction while simultaneously soliciting funding from the local jurisdiction(s). While the LP was successful in securing $3,683,174 in funding from the County and City, the LP has not yet had access to those funds as they have only very recently been awarded as noted above. HPI has therefore been carrying a bridge loan to the LP to facilitate construction to date. At this time, HPI has reached its' capacity to carry such debt. The LP is therefore requesting that HACSB assist with providing a bridge loan to insure that construction is not interrupted for lack of funds.

The development team anticipates that construction of the Project will be completed by the end of the second quarter of 2020. Staff therefore expects to return to the Board to reconcile final and total development costs of the Project in July or August 2020, and to request approval of the conversion of the HACSB bridge loan(s) to a long term permanent, residual receipts loan for the Project (projected to be approximately $2 million). A complete cost breakdown, identifying all sources and uses of the funding will be provided at that time. Total development cost of the Project is now projected to be $178,000 per unit, or less than half the cost of our most recent new construction, tax credit projects.

For value received, the Borrower, as evidenced by Borrower’s signature below, hereby unconditionally promises to pay to the order of the Lender at the address identified herein or at such other address as the Lender in writing may direct, without any right of deduction, set-off or abatement whatsoever, the principal sum of up to One Million One Hundred Thousand Dollars ($1,100,000) (the "Principal"), with interest accrued, at the rate of Zero Percent per annum, to become due and payable in full on December 31, 2020 (the “Maturity Date”).

The parties hereto understand, acknowledge and agree that the loan set forth in this Agreement is being made to Borrower in order that Borrower may engage in the following business venture: This loan is intended to be used as a line of credit to cover reimbursable expenses related to the Development and Rehab of Desert Haven Victorville, L.P. Once draw reimbursements are received, the line of credit amount used by Borrower will be paid back to the Lender (the “Business”); and it is a condition of the loan that the moneys paid hereunder be used exclusively for that purpose.

1. Borrower hereby promises to pay the Principal and the interest accrued to Lender in installments equal to the amount of the reimbursement received from The County of San Bernardino commencing on and continuing with each and every draw with a final installment of Principal and interest due and payable by the Maturity Date.

2. The entire amount of Principal outstanding hereunder and any accrued interest thereon may become due and payable, without notice or demand, in the event of any one or more following events of default:
A. any monthly installment of Principal and interest not paid when due and which remains unpaid for a period of days thereafter; or

5. No course of dealing between the Borrower and Lender or any delay on the part of Lender in exercising any rights hereunder or waiver of any instance of breach shall operate as a waiver of any rights of Lender. All of the covenants, stipulations, promises and agreements contained in this Agreement made by or on behalf of the Borrower shall bind his or her heirs, executors, administrators, successors and assigns, whether so expressed or not.

6. Lender may assign any or all of its rights hereunder to any other party without any consent by Borrower. The rights of Lender to receive payment hereunder shall be payable to Lender’s heirs, executors, administrators, successors and assigns, as the case may be, in the event of Lender’s death. Borrower shall not be relieved of the obligation to pay hereunder in the event of Lender’s death.

7. The Borrower covenants and agrees not to assign any of the obligations under this Note, except by prior express, written consent of Lender. An assignment without the prior written consent of Lender shall be absolutely null and void and shall, at Lender’s option, terminate this Note. In the event of same, at Lender’s option in its sole discretion, all principal and interest due under this Note may become immediately due and payable in full.

8. The Borrower may, at any time, without notice, bonus or penalty, prepay or cause to be prepaid the whole or any part of the principal and the interest accrued amount remaining unpaid hereunder. Any payments made in excess of any interest only payment due shall be applied first to any late charges then due and owing, then to any non-sufficient fund charges then due and owing, then to any interest then due and owing. The remainder of any such excess payment shall then be applied to the principal.

given by letter delivered either by personal delivery, registered mail certified return receipt
requested or by overnight delivery service, or may be sent via facsimile machine with a
hardcopy sent via first class mail and in the case of delivery by facsimile transmission shall be
deemed delivered upon receipt by the sender of a written confirmation of receipt from the
recipient, or by email or other electronic means so long as the recipient has acknowledged

be treated, in all respects, as a(n) California contract. The Parties further agree that the venue
of any legal action or claim hereunder shall be exclusively in and with a court having
jurisdiction over County of San Bernardino County, California. The Parties further agree and
hereby consent to, and waive all defenses of lack of personal jurisdiction and forum non

The converted units will serve as permanent supportive housing for chronically homeless individuals and will further the County of San Bernardino’s (County) efforts to address chronic homelessness. Each unit consists of a furnished one bedroom, one bathroom, kitchen and a living area. In addition to creating a quality
living space, the purpose of this Project is also to provide extended social services on-site, in order to better serve the needs of the residents.

As in the majority of our past affordable housing development projects, HACSB is partnering with its affiliate non-profit, Housing Partners I, Inc. (HPI) a Community Housing Development Organization (CHDO), for the purposes of accepting HOME funds from the County, approved for the Project by the Board of Supervisors on July 25, 2017 (Item No. 22) in the amount of $3,158,308. In addition to the County’s HOME funds, the City of San Bernardino (City) also invested HOME funds into the Project in the amount of $880,000, which were allocated toward the acquisition costs. Both HOME fund loans from the County and City will be payable via residual payments.

At the outset of the Project, it was anticipated that the combination of the County and City Home funds ($4,038,308) with HACSB’s original acquisition investment ($2,035,000) would be sufficient to complete the Project (total available: $6,073,308). The majority of the construction was slated to be primarily interior, converting the 19, two bedroom townhome units into 38 one bedroom stacked-flats. Exterior renovation was to be limited to removal and replacement of existing asphalt, wood and stucco repair, and exterior paint, as required. However, as not uncommon for residential rehabilitation, demolition revealed underlying conditions throughout the Project, and the scope of work increased substantially. Some major building components, not readily visible or inspectable prior to demolition, were found to require repair and/or replacement. This included the main under-slab sewer lateral for each of the three buildings, and multiple locations where building structural components had been compromised by either water intrusion, or substandard work during previous renovations. The development team also deemed it in the best interest of the Project to upgrade all building exteriors and all systems, and the additional scope of work subsequently triggered the requirement to install a fire sprinkler system which required upgrades to the main water supply. Similarly, ADA site improvements were made throughout the Project to provide an accessible route to every ground floor unit. As a result of such additions, the construction budget increased in excess of $1 million, thereby necessitating additional funding be added to the budget. The end product however, is far superior to the basic renovation originally envisioned. The housing units now being occupied are “as-new”, with up-to-date systems and technology which reduce initial maintenance expenses and increase expected lifespan of the units. This is all accomplished at approximately $185,000 per unit, or less than one-half the cost of our most recent new construction, tax credit projects.

The development team anticipates that the Project will achieve full occupancy and stabilization by the end of the first quarter of 2020. Staff therefore expects to return to the Board to reconcile final and total development costs of the Project in April or May 2020, and to request approval of the conversion of the acquisition and bridge loans to a long term permanent, residual receipts loan for the Project. A complete cost breakdown, identifying all sources and uses of the funding will be provided at that time.

Borrower seeks to borrow money in the form of a loan from Lender, and Lender seeks to lend money as a loan to Borrower, as further described herein.

LOAN TERMS

For value received, the Borrower, as evidenced by Borrower’s signature below, hereby unconditionally promises to pay to the order of the Lender at the address identified herein or at such other address as the Lender in writing may direct, without any right of deduction, set-off or abatement whatsoever, the principal sum of up to One Million Two Hundred Thousand Dollars ($1,200,000) (the "Principal"), with interest accrued, at the rate of Zero Percent per annum, to become due and payable in full on August 1, 2020 (the “Maturity Date”).

The parties hereto understand, acknowledge and agree that the loan set forth in this Agreement is being made to Borrower in order that Borrower may engage in the following business venture: This loan is intended to be used as a line of credit to cover reimbursable expenses related to the Development and Rehab of Golden Apartment San Bernardino, L.P. Once draw reimbursements are received, the line of credit amount used by Borrower will be paid back to the Lender (the “Business”); and it is a condition of the loan that the moneys paid hereunder be used exclusively for that purpose.

1. Borrower hereby promises to pay the Principal and the interest accrued to Lender in installments equal to the amount of the reimbursement received from The County of San Bernardino commencing on and continuing with each and every draw with a final installment of Principal and interest due and payable by the Maturity Date.

2. The entire amount of Principal outstanding hereunder and any accrued interest thereon may become due and payable, without notice or demand, in the event of any one or more following events of default:
A. any monthly installment of Principal and interest not paid when due and which remains unpaid for a period of days thereafter; or

4. In the event of failure to make a scheduled payment of principal and/or interest or any other amounts secured by this Agreement within days of the due date for such payment or upon the bankruptcy or insolvency of the Borrower or upon the filing of a petition in bankruptcy against the Borrower or upon the making of a proposal in bankruptcy by the Borrower (whether or not such bankruptcy or insolvency filing is by the Borrower personally or by the Business set forth herein), the whole of the monies (or any part thereof) secured by this Agreement remaining unpaid shall, at the option of the Lender, forthwith become due and payable and all the powers in and by the Agreement or by law conferred in case of default shall become exercisable.

5. No course of dealing between the Borrower and Lender or any delay on the part of Lender in exercising any rights hereunder or waiver of any instance of breach shall operate as a waiver of any rights of Lender. All of the covenants, stipulations, promises and agreements contained in this Agreement made by or on behalf of the Borrower shall bind his or her heirs, executors, administrators, successors and assigns, whether so expressed or not.

6. Lender may assign any or all of its rights hereunder to any other party without any consent by Borrower. The rights of Lender to receive payment hereunder shall be payable to Lender’s heirs, executors, administrators, successors and assigns, as the case may be, in the event of Lender’s death. Borrower shall not be relieved of the obligation to pay hereunder in the event of Lender’s death.

7. The Borrower covenants and agrees not to assign any of the obligations under this Note, except by prior express, written consent of Lender. An assignment without the prior written consent of Lender shall be absolutely null and void and shall, at Lender’s option, terminate this Note. In the event of same, at Lender’s option in its sole discretion, all principal and interest due under this Note may become immediately due and payable in full.

8. The Borrower may, at any time, without notice, bonus or penalty, prepay or cause to be prepaid the whole or any part of the principal and the interest accrued amount remaining unpaid hereunder. Any payments made in excess of any interest only payment due shall be applied first to any late charges then due and owing, then to any non-sufficient fund charges then due and owing, then to any interest then due and owing. The remainder of any such excess payment shall then be applied to the principal.
9. Any notice required, permitted to be given, or otherwise given hereunder may be effectively
given by letter delivered either by personal delivery, registered mail certified return receipt
requested or by overnight delivery service, or may be sent via facsimile machine with a
hardcopy sent via first class mail and in the case of delivery by facsimile transmission shall be
deemed delivered upon receipt by the sender of a written confirmation of receipt from the
recipient, or by email or other electronic means so long as the recipient has acknowledged

GOALS & OBJECTIVES
HACSB is a leading developer and provider of affordable housing in the County of San Bernardino.
HACSB residents live in safe and desirable homes and communities where they can develop and prosper.
HACSB has secured the resources needed for accomplishing its mission.

FINANCIAL IMPACT
This item is not expected to exceed a multi-year amount of $712,000 of which will be funded through the Housing Authority of the County of San Bernardino’s (HACSB) property operations budget. The amount for Fiscal Year Ending 2020 is included in the budget and will be included in subsequent fiscal year budgets.

BACKGROUND INFORMATION
HACSB currently owns and self manages approximately 1,300 units of multi-family housing in the County of San Bernardino. Some of these developments have a large footprint including vast quantities of mature trees. In order to keep the sites safe for residents and maintain curb appeal, HACSB currently contracts with multiple tree maintenance vendors for all 1,300 units. These vendors perform services that are not part of HACSB’s routine landscape service contracts such as tree trimming, tree removal and stump and root removal.

Due to HACSB’s large portfolio of properties and large quantity of mature trees this is an ongoing and sometime unpredictable need. The current vendors have been responsive and produced acceptable services. HACSB would like to continue contracting with its three current vendors via a contract extension.
PROCUREMENT
The Procurement and Contracts Department released Request for Proposal (RFP) PC935 on March 6, 2017. Outreach efforts included advertisement in four local newspapers, email invitations to 27 vendors, and posting on the agency’s website. Four proposals were received in response to this RFP. The proposals were evaluated per the requirements of the RFP in which Tree Pros, Inc., West Coast Arborists, Inc., and Mariposa Landscapes, Inc. were the most qualified, best priced, and most responsive vendors selected to provide these services to the agency.

On May 9, 2017, the Housing Commission (Item No. 11) approved authorization to contract with Tree Pros, Inc., West Coast Arborists, Inc., and Mariposa Landscapes, Inc. for a three year period beginning May 22, 2017 through May 21, 2020, with an option to extend one additional two year term ending May 21, 2022, and an appropriation amount not to exceed $150,000 for tree trimming services.

On November 13, 2018, the Housing Commission (Item No. 14) approved authorization to increase appropriations for tree trimming services in an amount of $140,000 for an overall amount not to exceed $290,000 through May 22, 2020.

2. Authorize and direct the Executive Director to execute and deliver the contract amendment to Intergraded Security Management Group, and, upon consultation with Legal Counsel, to approve any non-substantive revisions necessary to complete the transaction.

(Presenter: Maria Razo, Executive Director, 332-6305)

GOALS & OBJECTIVES
HACSB has secured the resources needed for accomplishing its mission.
HACSB clients, programs, and properties are embraced by all communities.
HACSB clients live in safe and desirable homes and communities where they can develop and prosper.

FINANCIAL IMPACT
Approval of this amendment will increase the current total amount by $374,163.12 for a total contract amount not expected to exceed $1,399,226.12 which is funded by the Housing Authority of the County of San Bernardino (HACSB) property operations budget. The amount for Fiscal Year 2020 is included in the budget and will be included in subsequent fiscal year budgets.

BACKGROUND INFORMATION
HACSB currently contracts with Intergraded Security Management Group (ISMG) for armed guard security services to patrol several properties which include our affordable housing sites and scattered sites primarily throughout the cities of San Bernardino and Victorville. Furthermore, due to the ongoing redevelopment of the Arrowhead Grove site, there are currently several vacant units which are scheduled for demolition in the coming months of which the proposed contract amendment will allow for continued increased security as an effective deterrent at this site. Approval of the proposed contract amendment will also account for ongoing expenses at the other affordable housing sites in the cities of San Bernardino and Victorville.

PROCUREMENT
HACSB previously issued a Request for Proposal (RFP) PC867 for Armed Guard Security Services on October 19, 2015 which resulted in the receipt of seven proposals. Proposals were evaluated per the requirements of the RFP and ISMG was selected as the most qualified, better priced, and most responsive vendor to provide these services to HACSB.

(b) "Contract" means the contract entered into between the Authority and the Contractor. It includes the contract form, the Certifications and Representations, these contract clauses, and the scope of work. (d) "Day" means calendar days, unless otherwise stated.

(e) "HUD" means the Secretary of Housing and Urban development, his delegates, successors, and assigns, and the officers and employees of the United States Department of Housing and Urban Development acting for and on behalf of the Secretary.

2. Changes

(a) The HA may at any time, by written order, and without notice to the sureties, if any, make changes within the general scope of this contract in the services to be performed or supplies to be delivered.

(b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

(c) The Contractor must assert its right to an equitable adjustment under this clause within 30 days from the date of receipt of the written order. However, if the HA decides that the facts justify it, the HA may receive and act upon a proposal submitted before final payment of the contract.

(d) Failure to agree to any adjustment shall be a dispute under clause Disputes, herein. However, nothing in this clause shall excuse the Contractor from proceeding with the contract as changed.

(e) No services for which an additional cost or fee will be charged by the Contractor shall be furnished without the prior written consent of the HA.

3. Termination for Convenience and Default

Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.

(b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.

(c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (default), the HA may (i) require the Contractor to deliver to it, in the manner and to the extent directed by the HA, any work as described in subparagraph (a)(ii) above, and compensation be determined in accordance with the Changes clause, paragraph 2, above; (ii) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the HA; (iii) withhold any payments to the Contractor, for the purpose of off-set or partial payment, as the case may be, of amounts owed to the HA by the Contractor.

(d) If, after termination for failure to fulfill contract obligations (default), it is determined that the Contractor had not failed, the termination shall be deemed to have been effected for the convenience of the HA, and the Contractor shall be entitled to payment as described in paragraph (b) above.

(e) Any disputes with regard to this clause are expressly made subject to the terms of clause titled Disputes herein.

4. Examination and Retention of Contractor's Records

(a) The HA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until 3 years after final payment under this contract, have access to and the right to examine any of the Contractor's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

   (e) The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the HA.

   (d) The terms of this clause shall be included in all subcontracts and consulting agreements wherein the work to be performed is similar to the service provided by the prime Contractor. The Contractor shall include in such subcontracts and consulting agreements any necessary provisions to eliminate or neutralize conflicts of interest.

12. Inspection and Acceptance

The contractor shall not commit or permit any act that will interfere with the performance of work by any other contractor or HA employee.

20. Liens

The Contractor is prohibited from placing a lien on HA's property. This prohibition shall apply to all subcontractors.

21. Training and Employment Opportunities for Residents in the Project Area (Section 3, HUD Act of 1968; 24 CFR 135)

(a) The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of
apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

(d) The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.

The Contractor shall procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the Contractor determines that such items: (1) are not reasonably available in a reasonable period of time; (2) fail to meet reasonable performance standards, which shall be determined on the basis of the guidelines of the National Institute of Standards and Technology, if applicable to the item; or (3) are only available at an unreasonable price.

(b) Paragraph (a) of this clause shall apply to items purchased under this contract where: (1) the Contractor purchases in excess of $10,000 of the item under this contract; or (2) during the preceding Federal fiscal year, the Contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of $10,000 of the item both under and outside that contract.

   b. **Contractor** means the Business Entity with whom the Housing Authority of the County of San Bernardino enters into this Agreement. Contractor shall be synonymous with “supplier”, “vendor” or other similar term.
   c. **Firm Price** means the Agreement requires the delivery of products or services at a specific price, fixed at the time of the Agreement and not subject to any adjustment on the basis of Contractor’s cost experience in performing under the terms of the Agreement.
   d. **HACSB** means the Housing Authority of the County of San Bernardino, its employees and authorized representatives, including without limitation any department, agency, or other unit of HACSB.
   e. **Non-routine maintenance** means duties or tasks that ordinarily would be performed on a regular basis in the course of upkeep of property, but have become substantial in scope because they have been put off, and involve expenditures that would otherwise materially distort the level trend of maintenance expenses. 2. COMPLIANCE WITH STATUTES AND REGULATIONS: Contractor warrants and certifies that in the performance of this Agreement, it will comply with all applicable statutes, rules, regulations and orders of the United States, the State of California and HACSB and agrees to indemnify HACSB against any loss, cost, damage or liability by reason of Contractor’s violation of this provision.

3. CONTRACTOR’S POWER AND AUTHORITY: Contractor warrants that it has full power and authority to enter into and perform its obligations under this Agreement, and will hold HACSB harmless from and against any loss, cost, liability, and expense (including reasonable attorney fees) arising out of any breach of this Agreement. Further, Contractor agrees that it will not enter into any arrangement with any third party which might abridge any rights of HACSB under this Agreement.

   c. On “F.O.B. Shipping Point” transactions, should any shipments under the Agreement be received by HACSB in a damaged condition and any related freight loss and damage claims filed against the carrier or carriers be wholly or partially declined by the carrier or carriers with the inference that damage was the result of the act of the shipper such as inadequate packaging or loading or some inherent defect in the equipment and/or material, contractor, on request of HACSB, shall at Contractor’s own expense assist HACSB in establishing carrier liability by supplying evidence that the equipment and/or material was properly constructed, manufactured, packaged, and secured to withstand normal transportation conditions.

5. TIME IS OF THE ESSENCE: Time is of the essence in this Agreement.

6. DELIVERY: Contractor shall strictly adhere to the delivery and completion schedules specified in the Agreement. Time, if stated as a number of days, shall mean calendar days unless otherwise specified. The quantities specified herein are the only quantities required. Contractor will keep records evidencing inspections and their result, and will make these records available to HACSB during performance of the Work and for three years after final payment.    e. HACSB shall give written notice of rejection of goods delivered or services performed hereunder within a reasonable time after receipt of such goods or performance of such services. Such notice of rejection will state the respects in which the goods do not substantially conform to their specifications. If HACSB does not provide such notice of rejection within thirty (30) days, unless otherwise specified in the Statement of Work, of delivery, such goods and services will be deemed to have been accepted. Acceptance by HACSB will be final and irreversible, except as it relates to latent defects, fraud, and gross mistakes amounting to fraud. Acceptance shall not be construed to waive any warranty rights that HACSB might have at law or by express reservation in this Agreement with respect to any nonconformity.

9. **SAMPLES:**
   a. Samples of items may be required by HACSB for inspection and specification testing and must be furnished free of expense to HACSB. The samples furnished must be identical in all respects to the products bid and/or specified in the Agreement.

HACSB’s approval of designs or specifications furnished by Contractor shall not relieve Contractor of its obligations under this warranty.
   b. All warranties, including special warranties specified elsewhere herein, shall inure to HACSB, its successors, assigns, customer agencies and users of the goods or services.

11. **SAFETY AND ACCIDENT PREVENTION:** In performing the Work under this Agreement on HACSB premises, Contractor shall conform to any specific safety requirements contained in the Agreement or as required by law or regulation. Contractor shall take any additional precautions as HACSB may reasonably require for safety and accident prevention purposes. Any violation of such rules and requirements, unless promptly corrected, shall be grounds for termination of this Agreement in accordance with the default provisions hereof.

12. **ACCIDENT PREVENTION:** Precaution shall be exercised at all times for the protection of persons (including employees) and property. The safety provisions of applicable laws, building and construction codes shall be
observed. Machinery, equipment, and other hazards shall be guarded or eliminated in accordance with the safety provisions issued by the Industrial Accident Commission of the State of California.

13. **INSURANCE:** Contractor shall not commence Work under this Agreement until all insurance required under this paragraph has been obtained and such insurance has been approved by HACSB, nor shall Contractor allow any subcontractor to commence work on a subcontract until all similar insurance required of the subcontractor has been so obtained and approved. “I am aware of the provision of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract.”

b. **General Liability Insurance.** Contractor, at its own cost and expense, shall maintain personal injury liability and property damage insurance for the entire term of this Agreement in the amount of Three Million and No/100 Dollars ($3,000,000.00) per occurrence for Bodily Injury, Personal Injury, and Property Damage which shall include coverage under the policy for the armed operations of all security guard personnel. If the use of firearms is covered under a special insurance policy, the Housing Authority of the County of San Bernardino will be named as an Additional Insured on the policy. Contractor shall be named as an additional insured with respect to such general liability insurance policy.

   a. Contractor shall hold HACSB, its officers, agents and employees, harmless from liability of any nature or kind, including costs and expenses, for infringement or use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, article or appliance furnished or used in connection with the Agreement.

   b. Contractor may be required to furnish a bond to HACSB against any and all loss, damage, costs, expenses, claims and liability for patent, copyright and trade secret infringement.

   c. Contractor, at its own expense, shall defend any action brought against HACSB to the extent that such action is based upon a claim that the goods or software supplied by Contractor or the operation of such goods pursuant to a current version of Contractor supplied operating software infringes a United States patent or copyright or violates a trade secret. Contractor shall pay those costs and damages finally awarded against HACSB in any such action. Such defense and payment shall be conditioned on the following:
      i. That Contractor shall be notified within a reasonable time in writing by HACSB of any notice of such claim; and,
      ii. That Contractor shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise, provided, however, that when principles of government or public law are involved, HACSB shall have the option to participate in such action at its own expense.

   d. Should the goods or software, or the operation thereof, become, or in Contractor's opinion are likely to become, the subject of a claim of infringement of a United States patent or copyright or a trade
secret, HACSB shall permit Contractor at its option and expense either to procure for HACSB the right to continue using the goods or software, or to replace or modify the same so that they become non-infringing. If none of these options can reasonably be taken, or if the use of such goods or software by HACSB shall be prevented by injunction, Contractor agrees to take back such goods or software and make every reasonable effort to assist HACSB in procuring substitute goods or software. If, in the sole opinion of HACSB, the return of such infringing goods or software makes the retention of other goods or software acquired from Contractor under this Agreement impractical, HACSB shall then have the option of terminating such Agreement, or applicable portions thereof, without penalty or termination charge. Contractor agrees to take back such goods or software and refund any sums HACSB has paid Contractor.

e. Contractor shall have no liability to HACSB under any provision of this clause with respect to any claim of patent, copyright or trade secret infringement which is based upon:

i. The combination or utilization of goods furnished hereunder with equipment or devices not made or furnished by Contractor; or,

ii. The operation of equipment furnished by Contractor under the control of any operating software other than, or in addition to, the current version of Contractor-supplied operating software; or

iii. The modification by HACSB of the equipment furnished hereunder or of the software; or

iv. The combination or utilization of software furnished hereunder with non-Contractor supplied software.

f. Contractor certifies that it has appropriate systems and controls in place to ensure that HACSB funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

22. STOP WORK:

a. HACSB may, at any time, by written Stop Work order (“Stop Work Order”) to Contractor, require Contractor to stop all, or any part, of the Work called for by this Agreement for a period up to ninety (90) days after the Stop Work Order is delivered to Contractor, and for any further period to which the parties may agree. The Stop Work Order shall be specifically identified as such and shall indicate it is issued under this clause. Upon receipt of the Stop Work Order, Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the Stop Work Order during the period of work stoppage. Within a period of ninety (90) days after a Stop Work Order is delivered to Contractor, or within any extension of that period to which the parties shall have agreed, HACSB shall either:

i. Cancel the Stop Work Order; or

ii. Terminate the Work covered by the Stop Work Order as provided for in the termination for default or the voluntary termination provision of this Agreement.

iii. If a Stop Work Order issued under this clause is canceled or the period of the Stop Work Order or any extension thereof expires, Contractor shall resume work. HACSB shall make an equitable adjustment in the delivery schedule, the price, or both, and the Agreement shall be modified, in writing, accordingly, if:

1. The Stop Work Order results in an increase in the time required for, or in Contractor’s cost properly allocable to the performance of any part of this Agreement; and

2. Contractor asserts its right to an equitable adjustment within thirty (30) days after the end of the period of work stoppage; provided that if HACSB decides the facts justify the action, HACSB may receive and act upon a proposal submitted at any time before final payment under this Agreement.

b. If a Stop Work Order is not canceled and the Work covered by the Stop Work Order is terminated in accordance with the provision entitled Voluntary Termination, HACSB shall allow reasonable costs resulting from the Stop Work Order in arriving at the termination settlement.
23. **Covenant Against Gratuities:** Contractor warrants that it complies with the Copeland “Anti-Kickback” Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3), and that no gratuities (in the form of entertainment, gifts, or otherwise) were offered or given by Contractor, or any agent or representative of Contractor, to any officer or employee of HACSB with a view toward securing the Agreement or securing favorable treatment with respect to any determinations concerning the performance of the Agreement. For breach or violation of this warranty, HACSB shall have the right to terminate the Agreement, either in whole or in part, and any loss or damage sustained by HACSB in procuring on the open market any items which Contractor agreed to supply shall be borne and paid for by Contractor. The rights and remedies of HACSB provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or in equity.

Unless otherwise indicated in the Statement of Work, Contractors of HACSB are required, pursuant to 24 CFR 85.36(h)(5), to pay Davis-Bacon wage rates for all “construction contracts and related subcontracts in excess of $2000,” which means, for such jobs, the wage rates paid must be equal to or exceed the listed applicable Davis-Bacon wage rate. Compliance with this clause also means that Contractor may be subject to completing certain reports and to audits by HACSB and the Department of Housing and Urban Development. Such reports and information relating to compliance can be obtained at the Internet website: [http://www.gpo.gov/davisbacon/](http://www.gpo.gov/davisbacon/). Contractor shall include the wage provisions of this clause in all subcontracts to perform work under this Agreement.

HACSB shall have the right to audit Contractor, at any time, in order to ensure compliance with the requirements of this Section. In connection therewith, Contractor agrees to maintain accurate books and records in connection with the Work, and all payments made or received by Contractor pursuant to this Agreement, and to provide such information to HACSB, within five (5) business days of any request by HACSB. In addition, Contractor shall provide, upon two (2) business days request, information to HACSB of each and every employee retained by Contractor in connection with the Work, and shall permit HACSB to interview any such employees, contractors or subcontractors. Contractor agrees that all maintenance laborers and mechanics employed by it in connection with the performance of the Work shall be paid unconditionally and not less often than semi-monthly, and without subsequent deduction (except as otherwise provided by law or regulations), the full amount of wages due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Housing and Urban Development. Such laborers and mechanics shall be paid the appropriate wage rate on the wage determination for the classification of work actually performed, without regard to skill. Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein; provided, that Contractor’s payroll records accurately set forth the time spent in each classification in which the work is performed. The wage determination, including any additional classifications and wage rates approved by HUD shall be posted at all times by Contractor and its subcontractors at the site of the Work in a prominent and accessible place where it can be easily seen by the workers.

25. **California Prevailing Wage (If Agreement Price is Less Than $2,000):** In the event the Agreement Price is less than $2,000, Contractor agrees to comply with all prevailing rate requirements of the California Labor Code. HACSB shall have the right to audit and inspect Contractor’s books and records, and interview Contractor’s employees, contractors and subcontractors, all according to the same provisions set forth in Section 26 above.

27. **Nondiscrimination Clause:**

   a. During the performance of this Agreement, Contractor and its subcontractors shall not unlawfully discriminate, harass or allow harassment, against any employee or applicant for employment because of sex, sexual orientation, race, color, ancestry, religious creed, national origin, disability (including HIV and AIDS), medical condition (cancer), age, marital status, and denial of family care leave. b. Contractor shall include the nondiscrimination and compliance provisions of this clause in all subcontracts to perform work under the Agreement.

FROM
MARIA RAZO, Executive Director, Housing Authority of the County of San Bernardino

SUBJECT
Vacated Tenant Accounts for the Affordable Housing Program to be Written Off to Collection Loss for December 2019

RECOMMENDATION(S)
Approve vacated tenant accounts for December 2019 for the Affordable Housing Program to be written off to collection loss.
(Presenter: Maria Razo, Executive Director, 332-3605)

GOALS & OBJECTIVES
Operate in a Fiscally-Responsible and Business-Like Manner.

FINANCIAL IMPACT
The accounts receivable losses for the month ending December 31, 2019 is $3,427.08 as summarized below. The Housing Authority of the County of San Bernardino (HACSB) included the collection losses in their annual budget process and these monthly losses are in line with budgeted projected losses.

BACKGROUND INFORMATION
On a monthly basis, HACSB records vacated tenant accounts for the Affordable Housing Program for the purpose of being written off to collection losses. These reports are summarized by the agency’s properties, also known as management points and must be received and approved by HACSB Board of Commissioners (Board). Despite the agency’s reasonable efforts to collect the debts listed in the attached reports, it has been determined that such debts are uncollectible. However, collection efforts will continue with the agency’s contracted collection agency.

Historically, the amounts can vary greatly from month to month especially if tenants are evicted, as opposed to tenants moving out, with unpaid rent and maintenance charges assessed for damage of the units. Based on the last six months, the monthly collection losses for Affordable Housing range from $6,682-$18,099. The total write off for the month of December 2019 is $3,427.08 as delineated in the table below.

REPORT/RECOMMENDATION TO THE BOARD OF COMMISSIONERS OF THE HOUSING AUTHORITY OF THE COUNTY OF SAN BERNARDINO AND RECORD OF ACTION

February 11, 2020

FROM
MARIA RAZO, Executive Director, Housing Authority of the County of San Bernardino

SUBJECT
Vacated Tenant Accounts for the Authority Owned Portfolio to be Written Off as Collection Loss for the Month Ending December 2019

RECOMMENDATION(S)
Approve vacated tenant accounts for the Authority Owned Portfolio to be written off as collection losses for the month ending in December 2019.
(Presenter: Maria Razo, Executive Director, 332-6305)

GOALS & OBJECTIVES
Operate in a Fiscally-Responsible and Business-Like Manner.

FINANCIAL IMPACT
The accounts receivable losses for the month ending December 31, 2019 is $29,735.26. The Housing Authority of the County of San Bernardino (HACSB) projects and anticipates collection losses in their annual budget. The monthly losses as detailed below are in line with the budgeted losses and historical trends.

BACKGROUND INFORMATION
On a monthly basis, HACSB records vacated tenant accounts for the Authority Owned Portfolio for the purpose of being written off to collection losses. The agency’s Authority Owned Portfolio units are owned by HACSB and were either acquired or developed through a variety of partnerships with local governments and/or HACSB’s non-profit affiliate Housing Partners I, Inc. Despite the agency’s reasonable efforts to collect the debts listed in the attached reports, it has been determined that such debts are uncollectible. However, collection efforts will continue with the agency’s contracted collection agency. As part of HACSB’s standard property management business practices, Board of Commissioners approval is requested to write off these accounts as accounts receivable losses to the Authority Owned Portfolio. The total write off for the month of December 2019 is $29,735.26 as delineated in the table below. Attached is a worksheet that itemizes the individual accounts.
