Bid Submittals: Bids are to be mailed or hand delivered to - 715 E. Brier Drive San Bernardino, CA 92408

- 11) **Intent to award:** It is the HACSB's intent to award a single contract to the lowest responsive bidder based on the total bid amount for the scope of all the work. Where found advantageous an award may be distributed to multiple vendors.

- 12) **“OR” Equal** If a reference to a specific brand name is made in these bid specifications, the brand name is illustrative and to be construed as a specification, which describes a component that has been tested or evaluated by HACSB as best meeting specific operational, design, performance, maintenance, quality, reliability standards and requirements of the HACSB, thereby incorporating these requirements by reference within the specification. An equivalent (“or equal”) may be offered by the bidder, subject to testing or evaluation by the HACSB prior to award of contract. HACSB shall be the sole judge of whether any proposed item will fulfill its requirements for HACSB intended purpose and reserves the right to reject proposed item as non-responsive. It shall be the sole responsibility of the bidder to provide, at bidder’s expense, any product information, test data and other information or documents HACSB may require fully evaluating or demonstrating the acceptability of the offered substitute. Where appropriate, independent testing or evaluation (including destructive testing), may be required as a condition of acceptance at a qualified test facility at the bidder’s expense.
- 13) **Interpretation of IFB:** The Contractor must make careful examination and understand all of the requirements, specifications, and conditions stated in the IFB. If any Contractor planning to submit a quote finds discrepancies in or omissions from the IFB, or is in doubt as to the meaning, a written request for interpretation or correction must be given to HACSB. Any changes to the IFB will be made only by written addendum and may be posted on the HACSB website at <http://ww2.hacsb.com/business>. The HACSB is not responsible for any other explanations or interpretations. If any provision in this agreement is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remaining provisions will nevertheless continue in full force without being impaired or invalidated in any way. All notices regarding this procurement may be posted on the HACSB purchasing website at
- 14) **Contractor Responsibility:** It is the contractor’s responsibility to submit all necessary documents included with the bid package including the use of the supplied bid bond form. Bid Guarantee by the bidder in accordance with the Instructions to Bidders for Contracts, which states: “All bids must be accompanied by a negotiable bid guarantee, which shall be not less than five percent (5%) of the amount of the bid”. The Bid Guarantee shall be submitted by each bidder with the bid, if applicable. Use of a standard surety company’s form for the Bid Bond is permitted.

SPECIFICATIONS AND SCOPE OF WORK

16) **JOB OVERVIEW:** The Housing Authority of the County of San Bernardino is seeking qualified licensed contractor(s) to repair structural framing, fascia, floor joists, and plywood subfloor in and around occupied dwelling spaces. Replace damaged fascia, wood trim, wood siding & other wood products as needed on all structures, fences, railings, signs, and mailboxes. Contractor will repair exterior stucco walls as needed and paint the entire exterior of the complex. The work shall consist of the provision of all permits, materials, labor and equipment to perform the complete work as stipulated in this section. Contractor will be responsible for following all items addressed in the Scope of Work, specifications, and all applicable laws, codes, regulations and any manufacturer's recommendations.

The complex was built in 1991. There are 9 dwelling unit buildings (30 ground floor units and 21 second floor units), 1 Office/Community Room, 1 Maintenance Shed, and a Gazebo structure. The property has one driveway along the south side of the complex terminating at a round parking area at the east. All units are currently occupied

17) **SITE LOCATION(S):**

Yucaipa Terrace Apartments
12435 6th Street,
Yucaipa, CA 92399

18) **SCOPE OF WORK:** Contractor shall supply labor, materials, equipment, and supervision to perform the following: Carpentry repairs to exterior wood work & second story balcony subfloors; Stucco Repairs; Complete Exterior Painting of all buildings and equipment on the property. Specific instructions per trade are listed below:

18.1 CARPENTRY

Contractor shall supply materials, labor and equipment necessary to repair approximately (400) square feet of exterior decking subfloor and structural framing on second story balconies. Replace (10) deteriorated 4X4 posts supporting 2nd story balconies. Replace approximately (200) linear feet of damaged fascia, wood trim, wood siding & other wood products as needed on all structures, fences, railings, signs, and mailboxes prior to painting exterior. Work shall include, but shall not be limited to the following (not necessarily in the order indicated):

- Identify areas for carpentry repairs, cut out all water damaged or soft areas.
- Block all edges of openings with 2X framing lumber.
- Install new ¾" exterior grade A-C plywood, with no more than ¼" gap between panels.
- Replace any deteriorated 4x4 Posts supporting balcony decks. Seal all cut ends.
- Replace damaged exterior wood trim prior to exterior paint. Back prime all new lumber.
- Repair lattice and 2x6 privacy screen at Gazebo

18.2 STUCCO

Contractor shall supply materials, labor and equipment necessary to repair exterior stucco surfaces of all buildings throughout the complex prior to painting the exterior. Work shall include, but shall not be limited to the following (not necessarily in the order indicated):

- The contractor will ensure that all patching is done only when the surfaces to be painted are thoroughly dry, when no rain is anticipated before the applied material will dry, and when the temperature is at least 50°F.
- Inspect all surfaces prior to work. All carpentry repairs should be made prior to painting work.
- The contractor will ensure that reasonable care is used to protect all trees, shrubs, yards, drives, walks, roofs and adjacent property from damage while painting or preparing the house.
- The contractor will ensure that any unpainted surface or surface requiring priming is properly back-primed before installing, using a primer suited to both the material being primed and the type of paint to be used. If the surface is to be stained, the contractor will touch up any bare wood with the new stain, to act as a primer, before installing.
- The contractor will be responsible for properly maintaining the work site, for storing materials in a safe and secure manner, for removal and disposal of any and all debris generated by the work performed within 24 hours, and, upon completion, for cleaning the site to a pre-work condition.
- The contractor shall repair/replace any gutters or associated drain pipes damaged during the course of the repair work.
- The contractor shall repair/replace any roofing tiles or associated items damaged during the course of the repair work.

18.3 PAINT

Contractor shall supply materials, labor and equipment necessary to paint **all** exterior surfaces of all buildings, structures, exterior doors, fences (wood and metal), railings, metal work, signs, mailboxes, landscape lighting (pole lights), structural metal, sheet metal, roofing flashing, and other accessories throughout the complex. All exterior doors and frames must be painted. Contractor will remove and dispose of existing screw-on weather-stripping on entry door frames prior to prep and patching work. New weather-stripping will be installed by others.

- The contractor will ensure that all painting is done only when the surfaces to be painted are thoroughly dry, when no rain is anticipated before the applied paint will dry, and when the temperature is at least 50°F (unless special low-temperature paint is specified).
- Inspect all surfaces prior to work. All carpentry and stucco repairs should be made prior to painting work.
- Thoroughly clean existing surface per manufacturer's specifications.
- If there are any areas of algae, mildew or fungus that show stain on the existing coatings, treat these areas with a chlorine water solution, followed by a clear water rinse.
- After washing and cleaning surfaces, allow 24 hours to dry before applying any coatings.
- The contractor will not use the following methods to remove paint that is, or may be, lead-based paint: open flame or burning torch; machine sanding or grinding without a high-efficiency particulate air (HEPA) local exhaust control; abrasive blasting or sandblasting without HEPA local exhaust control; heat guns operating above 1100 degrees Fahrenheit or charring the paint; dry sanding or dry scraping, except dry scraping in conjunction with heat guns or within 1ft. (0.30m.) of electrical outlets, or when treating defective paint spots totaling no more than 2 sq. ft. (0.2 sq. m.) in any one interior room or space, or totaling no more than 20 sq. ft. (2.0 sq. m.) on exterior surfaces; paint stripping in a poorly

ventilated space using a volatile stripper that is a hazardous substance in accordance with regulations of the Consumer Product Safety Commission at 16 CFR 1500.3, and/or a hazardous chemical in accordance with the Occupational Safety and Health Administration regulations at 29 CFR 1910.1200 or 1926.59, as applicable to the work.

- The contractor will ensure that all loose, checked or flaking paint is removed from all surfaces to be painted. All chips and flakes will be captured by a tarp made of heavy-duty polyethylene plastic sheeting (6 mils. thick) or its equivalent, and cleaned up daily.
- Remove all hooks, nails, wire clamps, other items that are no longer in use and fill the holes properly before painting.
- Fill, patch, tape, and caulk cracks, joints, splits, or small voids with appropriate filler material per manufacturer's specifications. Allow sufficient cure time prior to applying coatings.
- The contractor will ensure that all window glazing is repaired or replaced in all areas to be painted.
- Mask off all adjoining areas that are not to receive coatings.
- The contractor will ensure that reasonable care is used to protect all trees, shrubs, yards, drives, walks, roofs and adjacent property from damage while painting or preparing the house.
- The contractor will ensure that any unpainted surface or surface requiring priming is properly primed before painting, using a primer suited to both the material being primed and the type of paint to be used. If the surface is to be stained, the contractor will touch up any bare wood with the new stain, to act as a primer, before coating the entire surface.
- Install intermediate and finish coat per manufacturers' specifications.
- The contractor will ensure that the finish coat of paint is applied to an even finish, completely covering all areas to be painted, and that all drips, spills, splatters, or overspray are cleaned immediately from areas not intended to be painted.
- The contractor will be responsible for properly maintaining the work site, for storing materials in a safe and secure manner, for removal and disposal of any and all debris generated by the work performed within 24 hours, and, upon completion, for cleaning the site to a pre-work condition.
- The contractor shall repair/replace any gutters or associated drain pipes damaged during the course of the painting and/or preparation work.
- The contractor shall repair/replace any roofing tiles or associated items damaged during the course of the painting and/or preparation work.

INSTRUCTIONS AND CONDITIONS

1. **Vendor Registration.** For HACSB to consider Vendor's proposal ("Proposal"), Vendor shall register with the HACSB. Vendor must submit vendor application and all required forms located on HACSB website at www.hacsb.com.
2. **Verification.** Vendor should verify bids before submission, as they cannot be withdrawn or corrected after being submitted. Proposal must be signed by a responsible officer or employee of the Vendor's firm. Obligations assumed by such signatures must be fulfilled. This Proposal may, at HACSB's sole discretion, be rejected if is adjudged incomplete, illegible, or conditional. Vendor may submit alternate proposals or explanations on separate sheets. Such alternates will not be considered in determining the low bid, but may be used in negotiations after determination of the low bidder.
3. **Manufacturers.** (If applicable) In the Proposal, Vendor must state brand of manufacturer and model number on each item bid. If bidding manufacturer and model other than that specified, attach specifications sheets for alternate product(s). Use of a brand name as part of specification by HACSB is not intended to restrict competition, but should be considered a point of reference in terms of product quality and design.
4. **Request for Clarification.** Request for clarification or specifications, if any, shall be directed by telephone to John Borgardt at (909) 890-0664 or at time of job walk. Interpretations requested which are not covered in the specifications will only be made in writing by HACSB.
5. **Required Proposal Documents.** This Proposal shall include and incorporate by reference all of the following documents ("Contract Documents"):

1.	Certification of Acceptance of the General Conditions of the Contract for Construction (form HUD 5370-EZ).
2.	Specific Conditions of the Contract for Construction Pre-Screen.
3.	Representations, Certifications, and Other Statements of Bidders (form HUD 5369-A).
4.	Request for Taxpayer Identification Number and Certification (IRS Form W-9).
5.	Minority Code Identification Form.
6.	Non-Collusive Affidavit.
7.	Statement of Bidder's Qualifications.
8.	Designation of Subcontractors Form.
9.	Applicable prevailing wages determined by the United States Department of Labor.
10.	Certification of Authorization and Understanding.
11.	Bidder Certification Status as a Section 3 Business Corporation.
12.	Certificate as to Corporate Principal (Corporations only).
13.	Stipulation of Lien.
14.	Warranty/Guarantee.
15.	Agreement Certification.

6. **Delivery of Proposal.** Proposals received late or at any location of HACSB other than that indicated on the proposal will be deemed non-responsive and will not be considered.
7. **Quotations.** Unless otherwise stipulated, quotations are subject to acceptance at any time within 60 days after receipt.
8. **Compliance with Contract Documents.** Vendor shall comply with all of the Contract Documents in connection with the performance of the work hereunder. In the event of any conflict between this Proposal and the Contract Documents, the Contract Documents shall control.
9. **Award of Contract.** Bid opening will be officiated and attended by HACSB Contract Administrator at the time and place indicated the Request for Proposal. Identity of the successful bidder may not be determined at bid opening. HACSB reserves the right to obtain opinion of its counsel of legality and sufficiency of bids. The contract will be awarded, if at all, to the lowest responsible bidder within sixty (60) days of the final date of receiving bids and a purchase order will be issued.
10. **HACSB's Discretion in Awarding Contract.** HACSB recognizes that price is only one of several criteria to be used in judging a product or service, and HACSB is not legally bound to accept the lowest bid. HACSB reserves the right, unless otherwise stated, to accept or reject any or all bids, or any part thereof, either separately or as a whole, or to waive any informality in a bid. HACSB reserves the right to reject, in its sole discretion, any or all bids, or to waive any informality in the bids, and to reject any items there on. HACSB may, at its sole discretion, cancel this Proposal or any part of this Proposal at any time prior to award.
11. **Time of Performance.** All work and/or deliveries and set up shall be completed and the contract performed within the total number of calendar days stated in the Proposal. Any modification of this time caused by inclusion of any alternate in the contract shall be as stated in such alternate. Total number of calendar days: to be determined relative to each contract awarded.
12. **Time is of the Essence.** Time of delivery is a part of the consideration and must be stated in definite terms, and must be adhered to.
13. **Best Efforts.** Vendor shall perform its duties on premises approved by HACSB, during HACSB'S regular work days and normal work hours and warrants that it shall perform its services in a manner consistent with that degree of care and skill ordinarily exercised by members of the same profession currently practicing under similar circumstances. Vendor acknowledges that HACSB has the right to review the services performed by Vendor and may in its reasonable business discretion, reject such services in writing.
14. **Costs.** Cost of transportation, handling, and/or inspection on deliveries which do not meet specifications shall be the responsibility of the Vendor.
15. **Subcontractors.** A list of subcontractors will be submitted at the time of bid opening on the form entitled "Designation of Subcontractors" and as required by State Law. The subcontractor shall have demonstrated to HACSB's satisfaction previous

- experience in each additional division or classification he is listed under other than its primary contracting business. If a subcontractor is licensed and qualified to do more than one division or classification of work as defined by the specifications, it shall be listed under each of these additional divisions or classifications. All contractors shall be listed if their portion of the work is one-half (½) of one percent (1%) or more of the total project bid amount. Within 72 hours after bid opening, the apparent low bidder will be required to submit an additional list which will include all of the following information for the general contractor and each subcontractor listed in the Proposal: (a) complete name (as it appears on State Contractor's License), address and telephone number for each; (b) trade for each; (c) State Contractor's License Number and license classification for each; and (d) expiration date of State Contractor's License (if license is expired or inactive, proof of renewal must be submitted).
16. **Samples.** Samples of items, when required, shall be furnished at no charge to HACSB; and if not destroyed by tests, will upon request be returned at Vendor's expense.
 17. **Superintendence by Vendor.** Vendor certifies that it shall give its personal superintendence to the work or have a competent superintendent, satisfactory to HACSB and/or the Architect, if any, on the project at all times during progress with full authority to act for Vendor.
 18. **Removal of Debris, Cleaning.** Vendor shall, daily or as directed during the progress of the work on the project, remove and properly dispose of the resultant trash, dirt and debris, and keep the premises reasonably clear.
 19. **Force Majeure.** Neither party shall be held liable for failure or delay of fulfillment if hindered or prevented by fire, strikes, or Acts of God. (Force Majeure)
 20. **Warranty/Guarantee.** Vendor warrants and guarantees that the goods supplied under this Request for Bid and any purchase order resulting from award of same (including all descriptions, specifications and drawings made a part hereof), and such goods will be merchantable, fit for their intended purposes, free from all defects in materials and workmanship and to the extent not manufactured pursuant to detailed designs furnished by HACSB, free from defects in design. HACSB's approval of designs or specifications furnished by Vendor shall not relieve Vendor of its obligations under this warranty.
