**CONTRACTOR'S CERTIFICATION OF COMPLIANCE/
DAVIS-BACON AND RELATED ACT REQUIREMENTS**

I, _____, as Prime Contractor for Project #: _____, hereby make the following certification and acknowledgment with respect to the applicability of Davis-Bacon and Related Acts requirements:

1. By entering into this contract, I certify that I acknowledge that the above reference project is Federally funded and that I am solely responsible for complying with the Davis-Bacon and Related Acts Requirements; and,
2. The prime contractor and all subcontractors are required to pay their laborers and mechanics employed under this contract, a wage not less than the highest wage applicable to their work classifications, as specified by the current and applicable Federal Wage Determination. If no Federal work classification appears to apply, prime contractor shall make a written request to the Housing Authority of the County of San Bernardino to obtain the applicable work classifications and wage rates prior to the start of construction. When the same classification appears in both the Federal and the State Wage Decisions, the higher wage must be paid for that classification. The prime contractor is responsible for ensuring subcontractor compliance with Davis-Bacon and Related Acts Requirements.
3. Each contractor and every lower-tier subcontractor and supplier shall be required to submit certified payrolls and labor compliance documentation electronically at the discretion of and the manner specified by the Housing Authority of the County of San Bernardino.
4. Electronic submittal will be a web-based system, accessed on the World Wide Web by a web browser. Each contractor and subcontractor will be given a Log On identification and password to access the HACSB reporting system.
5. Use of the system may entail additional data entry of weekly payroll information including; employee identification, labor classification, total hours worked and hours worked on this project, wage and benefit rates paid, etc. The contractor's payroll and accounting software might be capable of generating a 'comma delimited file' that will interface with the software.
6. This requirement will be 'flowed down' to every lower-tier subcontractor and vendor required to provide labor compliance documentation.

Signature, Prime Contractor
