Subject: GAO Study of the Moving to Work Program - Notice of Public Meeting for Housing Program Participants

The Government Accountability Office (GAO) has been asked by the United States Congress to explore the effect of the Moving to Work program on tenants receiving housing assistance. Therefore, we are interested in learning about your experiences with Moving to Work policies the Housing Authority of the County of San Bernardino adopted. In particular, we are interested in learning about your experience in participating in the Five Year Lease Assistance and/or Streamlined Lease Assistance programs (whichever program applies to your family), and if applicable, minimum rent and rent increases your family may have experienced. Please note: GAO is an independent federal agency, and not affiliated in any way with the Housing Authority of the County of San Bernardino or the Department of Housing and Urban Development.

If you are willing to share your experiences with the policies mentioned above, we would be interested in speaking with you. We will hold two one hour sessions: one on December 15, 2016, at 9:30 and 3:30. To register, please email Josephine Perez at movingtowork@gao.gov or call 312-220-7626. Thank you for your assistance!
