Our Special Program vouchers are subsidized through special funding as awarded by the Department of Housing and Urban Development (HUD), as this is a separate funding stream, the **Special Program Payment Standards** are based on the HUD published Fair Market Rents (FMR). The Regions are identified by census tracts and the city names are a suggestive guide and may not be used to accurately determine sub market, the submarkets are located within identified regions. **Please note that some city boundaries may fall within multiple submarkets and therefore Regions.** For more information, please use the submarket tracking resource on our website at www.hacsb.com/landlords.
